We are pleased to announce the 2nd Annual Career Fair targeting high school and middle school students with the addition of a second location and additional sponsors. The events will be promoted to grades 7-12 at all Columbiana County school districts.

Southern location: **Beaver Local High School**, 46090 Bell School Rd, East Liverpool, Ohio in the commons on March 21st, 2019 from 5:30 to 7:00

Northern location: **Salem High School**, 1200 East Sixth St, Salem, Ohio in the cafeteria on April 10th, 2019 from 5:30 to 7:00

Your business is invited to set up a table at either or both of these events to share the many career opportunities available locally and to identify potential candidates for current or projected job openings. The Salem City School District and Beaver Local School District, in cooperation with the Sustainable Opportunity Development Center (SOD Center) and Columbiana County Educational Service Center (ESC), will sponsor the event.

The goal of these events is to provide employers a forum for publicizing local career options, recruiting employees, and a venue for students and parents to explore the many career pathways available in Columbiana County.

The Salem High School event will also include a dinner-for-a-dollar prepared by Nutrition Inc.

Working through the Business Advisory Committee of the ESC, area Superintendents and High School guidance counselors will promote the event among all students in grades 7-12, targeting those who have yet to decide their post-high school plans. The SOD Center and the Columbiana County ESC will promote the event through social media and local media outlets.

We suggest a \$20 donation per table to defray the dinner cost.(Northern Location Only) A limited number of tables will be available, so we encourage you to register early.

We hope you will join us in March and April as we promote the great businesses of Columbiana County and the many rewarding careers available right here in our backyards. For more information regarding the fair or to register, please call Joe Shivers at (330) 332-0316, Eric Lowe at (330) 386-8700 or Julie Needs at (330) 337-7669.
