Crucial Skills for Crew Leaders

Wednesday March 27th 8:30am-12:30pm

Target: Crew Leaders, lead men

Crew Leaders succeed when they have a system to implement on a consistent basis.

Three aspects of crew leadership - goals, empowerment, and communication - work in harmony toward success.

This is a half-day course will help crew leaders:

- Learn how company, department and individual goals support each other
- Blue print of typical daily tasks and support needed from team members
- Discover the impact of communication styles including tone, words, and intention
- Determine the best way to get the crew to buy-in to a performance plan
- Leave with a plan they can implement and monitor for effectiveness
- Understand the relationship between Organization Mission/Strategy & Departmental/Individual goals
- Explore Maslow's Hierarchy of Needs theory
- Set SMART goals
- Gain communication skills and a personal communication plan

Diane Helbig with Kent State Corporate University will be leading this course
