Motivational speaker, Brad Hurtig was a student- athlete in a small town in Northwest Ohio. Only days after finishing his sophomore year of high school, a devastating accident resulted in the amputation of both of Brad's hands. Through hard work and determination Brad soon rejoined his high school football team. In his senior year, Brad led his team defense, recording 111 tackles and received all-state honors all while playing with no hands. Brad's inspirational story of triumph quickly captured national headlines. Now Brad is taking his life-changing message to people across the nation.
