**Webinar: Communicating Across Generations**

Do you communicate well with people outside your age group? Join Renee Romine to find out how to manage communication across generations by first learning about the four generations in the workforce. Knowledge about each generation will give you a general understanding about each group's frame of reference and help you interact more effectively.

**Wed. August 21st, 10-11am**

**Health & Wellness at Brookdale**

Join us on Senior Citizen Day!

We would like to welcome you for some Wellness Education. The more we are informed, the easier our choices will be, for ourselves or our families. Let's welcome Diane Garthwaite, coming to discuss new details from Harbor Light, and Cathy Hergenrother, the Director of Community Impact at the YMCA in Boardman. We will learn about physical and mental wellness. Join us!

Wednesday, August 21 • 1:30 p.m. to 2:30 p.m.

**SBA Disaster Loan Deadline is Extended to September 3 for Ohio Severe Storms, Straight-Line Winds, Tornadoes, Flooding and Landslides**

**ATLANTA** – U.S. Small Business Administration has extended the deadline to apply for low-interest disaster loans for the May 27 – May 29 severe storms, straight-line winds, tornadoes, flooding and landslides. Ohio businesses and disaster survivors now have until **Sept. 3, 2019** to apply for their physical damage losses.

"The extension will allow the businesses, homeowners, renters and private nonprofit organizations additional time to submit their SBA disaster loan applications and obtain the funding they need for disaster related repairs and replacements" said SBA Great Lakes Regional Administrator Robert L. Scott, III. "The key to rebuilding is to access all of the available resources and not wait for insurance to be settled. SBA's disaster loan program is unique and loan amounts, terms and conditions can be adjusted if insurance is received after the loan is approved."

For those reluctant to file an SBA disaster loan application, SBA's Customer Service Representatives are available at every Recovery Center to help with the process, and answer questions. Businesses can receive free assistance with reconstructing financial records, preparing financial statements and submitting the loan application from any of SBA's partners: Small Business Development Centers, SCORE, Women's Business Centers, and Veterans Business Outreach Centers. Homeowners and renters unable to obtain an SBA low-interest disaster loan are referred to FEMA for grant consideration.

Businesses and private nonprofit organizations of any size may borrow up to \$2 million to repair or replace disaster damaged or destroyed real estate, machinery and equipment, inventory, and other business assets. For small businesses, small agricultural cooperatives, small businesses engaged in aquaculture and most private nonprofit organizations, the SBA offers Economic Injury Disaster Loans to help meet working capital needs caused by the disaster. Economic Injury Disaster Loan assistance is available regardless of whether the business suffered any physical property damage.

Disaster loans up to \$200,000 are available to homeowners to repair or replace disaster damaged or destroyed real estate. Homeowners and renters are eligible up to \$40,000 to repair or replace disaster damaged or destroyed personal property.
