2020 Large Business of the Year

The Salem Area Chamber of Commerce is delighted to give recognition to Ventra of Salem LLC as the 2020 Large Business of the Year.

Ventra of Salem LLC, formerly known as Warren Molded Plastics, originally started in October of 1958 in Cortland, Ohio by a company called Carlin Products, owned by Continental Oil. It was made up of only three presses and employed four to six people. It was moved to Salem, Ohio in the summer of 1969. On March 18, 2008, Flex-N-Gate bought the assets of Blackhawk Automotive and the company became known as Ventra Salem. Ventra currently has 850 employees, and their location has increased in square footage from 200,000 to 267,000 to accommodate the growth in production.

Ventra sponsors/donates to area school activities including sports, band, choir, and yearbooks. They also sponsor many sport leagues for both youth and adults. One of their proudest contributions has been the manufacture and distribution of over 18,500 face shields sent to schools including elementary through college levels, churches, and organizations to help curb the spread of Covid-19.

The Salem Area Chamber of Commerce extends best wishes for continued success and congratulates all the management and employees of Ventra of Salem LLC on this well-deserved award.
