FREE March Webinar: Managing Workers' Comp in the Time of COVID-19

Everyone knows that these are "unprecedented times" and the pandemic has touched all of our lives in some way. We have gathered the current statistics on COVID-19 in OH along with the most frequently asked questions about how this pandemic impacts the way you manage your program. We will touch on topics from payroll reporting to claim allowance and issues involved with remote workers.

WHEN: Thursday, March 4, 2021 from 2pm-3pm EST
COST: FREE
To register, click [here](#).

This session has been certified by the Ohio Bureau of Workers' Compensation (BWC) for one hour of the two-hour safety training requirement for group and group retrospective-rated employers. To be eligible for the BWC safety training requirement credit, the attendee must remain in the session for at least 75% of the total session time.

Three business days prior to the webinar date, you will receive an email from seminarsrvps@sedgwick.com. The email will include detailed instructions on how to join the webinar along with a copy of the presentation (if applicable). Please be sure to add this email address to your Safe Sender email file to ensure receipt.

If the 75% qualification is met for workers' compensation, we will send a certificate of attendance via email within 3 business days of the session date.

Questions?
For questions regarding a webinar, please email seminarsrvps@sedgwick.com.

Ohio BWC Safety Congress Registration Now Open

Registration is now open for the 2021 Ohio Safety Congress & Expo (OS21)! Due to the ongoing COVID-19 pandemic, OS21 will be a completely online event, including our first-ever digital expo.

Visit the OS21.website for more information and to register for the event, which will stream live March 10-11, 2021. Now in its 91st year, the Ohio Safety Congress & Expo is the largest and longest-running regional occupational safety, health and workers' compensation conference in the U.S.

More than 4,000 representatives from Ohio businesses and government are expected to attend the event to discover the strategies and tools needed for a healthy, safe, and productive workforce. The event offers topics on organizational behavior, safety leadership, emerging trends, and mental health. Participants can visit the digital expo marketplace, compete in a scavenger hunt, download resources, earn attendance credit and chat with others.

Working from Home: Is Your Office Ergonomically Correct?

Watch this [video](#) from the Ohio BWC's Ergonomics Consultant Brad Rideour on how to set-up your home office so that it's not putting undue strain on your back, knees or your eyes. Brad offers tips for safely setting up your home office with items you may have on-hand.
